

Tim Woodson & The Heirs of Harmony's Audio and Recording Rider

The Promoter shall provide professional sound reinforcement equipment suitable for the venue, to include the following.

- Professional PA System
- 5 microphones (wired or cordless)
- 1 cordless microphone
- 3 regular upright stands
- 1 Keyboard (Motif Series XF6 or XF8)
- 2 Boom Microphone stand
- 4 Stages Monitors (at minimum)
- 1 Bass Amp (SWR 900 or Peavey TMAX 4/10" Speakers)
- 1 full set of professional drums including all hardware
- 1 keyboard amp (Peavey, Roland, or compatible – Keyboards may be ran direct through the house system without an amp if stage monitors are sufficient)
- 1 Guitar Amp (Fender Twin, Line 6, Peavey or compatible)

Tim Woodson & The Heirs of Harmony require a professional grade PA system with stage monitors, and a minimum of 5 microphones and stands, full 5 piece drum set with hardware, bass amp, guitar amp, and keyboard and Keyboard amp (or keyboard player may run direct based on the load capacity of the PA system) for performances.
